

Priority Rating Survey

Disability Rights New Jersey (DRNJ) is the state's designated protection and advocacy system for people with disabilities. DRNJ is a consumer-directed, non-profit agency that advocates for and advances the human, civil and legal rights of people with disabilities. In order to ensure that DRNJ's limited resources are used to address issues of importance to people with disabilities, we are seeking input from people with disabilities, their families, professionals, health care and service providers, and the general public to guide DRNJ in determining its priorities for the coming three years.

This survey provides important input for DRNJ's staff, advisory committees, and governing board in planning programs and services for the coming years, and we greatly appreciate your time and attention in completing it.
